

HEALTHY HOUSING HARVEST PARTY

SPONSORSHIPS

Since our founding in 1992, we've invested a market value of \$8.8 million into Southeast Michigan communities; completing over 1,000 home repair projects with the help of over 10,000 volunteers. This year, we're planning a Safe-and-Healthy Housing Kit distribution and community clean-up in Detroit's District 4 on Saturday, October 24! Your event sponsorship will help us continue our mission to repair homes, revitalize communities, and rebuild lives!
